

MARCH 1ST-4TH 2021

TITLE I VIRTUAL FAMILY

LITERACY WEEK

Welcome to our first ever **Bloomsburg Area School District** Family Fun & Literacy Event!

We usually have this event one evening at each building, but this year we decided to make lemonade out of lemons and create a week-long virtual and live district-wide presentation that is available to all of our students and their families.

Our goal at Bloomsburg is to promote ***success and connection*** for all our students. Everything we do is based upon the idea that we want to build positive and supportive family/school connections, as we are all partners in engaging children in their learning.

Literacy night includes read alouds, fun activities, and sessions from teachers that provide suggestions and guidelines for parents to help support their children at home.

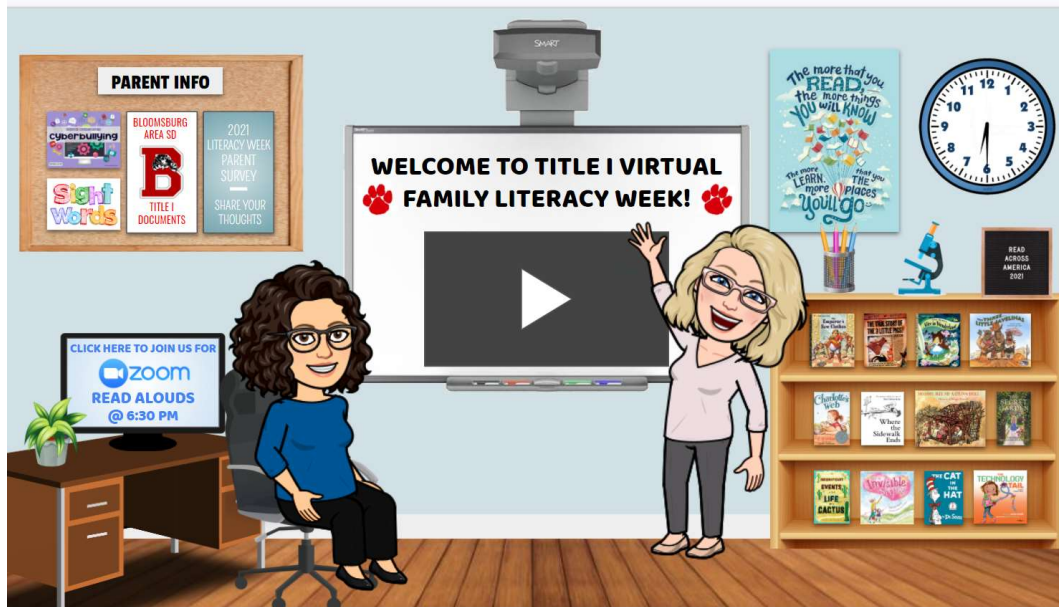

This year we have presenters who will provide LIVE read alouds for various grade levels each evening from 6:30-7:00 PM. Additionally, there are pre-recorded read aloud sessions, as well as, informational sessions that you can access to fit your schedule.

Please join us for some fun and help us celebrate your children and their learning efforts as they have done an amazing job this year.

The information to access the week's activities can be found on the back of this page.
